

DESCRIPTION

Bundle C is located in the northwest portion of Broward County and within the City of Coral Springs. The future land use is primarily residential with a few commerce areas. There are a mix of community features such as schools, library and a hospital. Coral Springs Downtown Activity Center is within Bundle C and has the same boundaries as the Coral Springs Community Redevelopment Area (CRA). The vision is to create a vibrant and sustainable downtown in which Coral Springs' residents, businesses, and visitors can live, work, shop and entertain. Nine proposed projects were identified.
