

# Transportation Questionnaire

*Transportation Solutions for the 21<sup>st</sup> Century*

## YOU HAVE \$100! WHERE WOULD YOU SPEND IT?

Imagine that you have only \$100 to spend, but you have \$1000 of transportation needs. How would you prioritize? Please distribute your \$100 among the following improvements according to how important they are to you. The more important an improvement is to you, the more money you should assign to it. If the improvement is not at all important, you may assign it zero dollars.

**Remember do not exceed your \$100 budget!**

IMPROVEMENTS	Money Assigned
Adding lanes to existing roads	
Building new roads	
Improving road safety	
Building a passenger rail system	
Providing public transit for people with special needs (Para-transit)	
Improving mass transit	
Developing high-tech systems to inform motorist of traffic conditions	
Dedicating lanes for vehicles carrying two or more people	
Encouraging alternative commuting practices (ridesharing, flex-time)	
Providing walking or bike paths	
Other	
<b>TOTAL</b>	<b>\$100</b>

How do you feel about current improvements? Is enough being done?

The best policy decisions are made in the context of public participation, in developing plans and programs the Broward County MPO provides numerous opportunities for public input. This questionnaire is designed to proactively gather feedback and comments from the public to help inform policy makers how you would like the future of transportation to look. To ensure that transportation systems meet the needs of those who use them, it is vital that the public participate in transportation planning, please take a few moments to fill out this questionnaire.

**After completing, please return this questionnaire with any additional comments to:**
