PROJECT TEAM MEMBER PARTICIPATION: Pamela A. Adams
PRIMARY CONTACT: Stan Pannaman, President Broward Sierra
Email: stanleypannaman@hotmail.com Telephone: 954-720-4639

SUMMARY OF EVENT:

- ✓ The meeting began with introductions. Pamela Adams introduced Speak Up Broward to the audience, The interactive exercise “Today and Tomorrow” was done to get the audience engaged.
- ✓ The introduction to Speak Up Broward presentation was shared with the audience.
- ✓ The audience was encouraged to get more information from the website and to talk about Speak Up Broward in their communities.
- ✓ Audience members were asked to join the Speakers Bureau and to provide new presentation opportunities.
- ✓ The audience shared the following observations and concerns about the current transportation system in Broward:
 - Traffic light synchronization system.
 - Improved east and west connections.
 - Reduced bus service to Tri-Rail has made using Tri-Rail very inconvenient. A former rider now has to rely on driving to Miami. Improved and more frequent bus services to Tri-Rail.
 - Better east to west connections are essential to make public transportation more feasible.

FOLLOW UP / ACTION RESULTS:

- ✓ A member asked about a joint meeting and presentation with the Audubon Club in the fall 2014

EVALUATION OF EVENT: The meeting resulted in an introduction to Speak Up Broward and a group of people articulating their transportation choices for the future.
