	No bike	No, i drive to BB& T and park my car and then catch the 595 Express	Same as above	Same reason as the not walking. There's no easy public transportation to the secondary (95 Express) that I have to take.	The bike racks on the buses are often full	Usually take the water taxi and the bike is too cumbersome for the boat in my opinion.	dont own one	no need	not all the blocks have a sidewalk	Total
