1. ANNUAL LISTING OF OBLIGATED PROJECTS AVAILABLE TO PUBLIC

NOTICE IS HEREBY GIVEN that the Broward Metropolitan Planning Organization's (Broward MPO) Annual Listing of Obligated Projects is available to the public in compliance with federal mandates which require a listing of all projects for which federal funds have been obligated in the preceding year. The FDOT prepared the listing of highway projects (including investments in pedestrian walkways and bicycle transportation facilities), and the Broward MPO cooperatively working with public transportation operators developed the listing of transit projects, for which federal funds under 23 U.S.C or 49 U.S.C Chapter 53 were obligated during federal fiscal year 2019 (FFY19) between October 1, 2018 and September 30, 2019.

Copies may be downloaded from the Broward MPO website at BrowardMPO.org on the Transportation Improvement Program (TIP) page under the "What We Do" tab, or by contacting Jihong Chen, at (954) 876-0066, or email chenj@browardmpo.org. A hard copy for public review is available at the Broward MPO at Trade Centre South, 100 West Cypress Creek Road, 6th Floor, Suite 650, Fort Lauderdale, FL 33309-2181.

For complaints, questions or concerns about civil rights or nondiscrimination; or for special requests under the American with Disabilities Act, please contact: Erica Lychak, Communications Manager/Title VI Coordinator at (954) 876-0058 or Lychake@browardmpo.org

2. Overview

Purpose of the Report

The Broward Metropolitan Planning Organization (MPO) is an agency responsible for transportation planning, programing, and coordinating investments. The MPO works in partnership with Broward County, Florida Department of Transportation (FDOT), the Federal Highway (FHWA) and Transit (FTA) Administrations as well as regional transit operators in planning for transportation improvements.

The Fixing America's Surface Transportation (FAST Act) legislation requires the MPO to publish the Annual Listing of Obligated Projects Report on annual basis, no later than 90 calendar days following the end of the program year. In response to the FAST directive, the FDOT prepared a listing of highway projects, including investments in pedestrian walkways and bicycle transportation facilities. The MPO, working in conjunction with public transportation providers, developed a listing of transit projects. These project lists were obligated for federal funds under 23 U.S.C or 49 U.S.C Chapter 53 during federal fiscal year 2018 (FFY18) between October 1, 2018 and September 30, 2019.

Federal law (23 CFR §450.334) requires the list to include:

(1) All federally funded projects authorized or revised to increase obligations in the preceding program year, and the TIP information under § 450. 326 (g) (1) and (4) at a minimum,

(2) For each project, identify the amount of Federal funds requested in the TIP, the Federal funding obligated during the preceding year, and the Federal funding remaining and available for subsequent years.

In general, federal funds are obligated to transportation projects through FHWA and FTA. According to FHWA definition, "*An obligation is a legal commitment: the Federal government's promise to pay a State for the Federal share of a project's eligible cost*¹." For a project funded by FHWA funds, this commitment occurs when FHWA approves the project and executes the project agreement." For a project funded by FTA funds, this commitment occurs at the time the FTA grant is awarded. Alternatively, funding can also be "de-obligated". A de-obligation means money previously obligated is removed from the project to reflect changes to the project cost, delay, or cancellation².

Highlights

The report contains detail regarding projects obligated during FFY 2019, however some highlights include:

- \$134,854,721 in FHWA funds is committed to 213 projects in the Broward County region.
- \$223,934,656 in FTA funds is committed to public transit operators Broward County Transit and South Florida Regional Transit Authority.
- \$45,983,402 Federal MPO (SU) fund is committed, while \$ 2,786,218 such fund is de-obligated.
- \$3,275,811 Federal MPO (TALU) fund is committed, while \$533,680 such fund is de-obligated.
- \$6,306,101 in previously obligated FHWA funds is free for use in current and forthcoming projects.
