Dear Mr. Stuart:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached modification to the FY 2024/25 – 2028/29 Transportation Improvement Program.

This modification is to include clarifying grant information within the Project Description at the request of FTA for processing STIP Amendment approval. These projects are non-budgeted and will be transferred to FTA as the managing agency in July.

These projects are consistent with the goals of the Broward Metropolitan Planning Organization's Long-Range Transportation Plan. The TIP remains financially constrained.
