**SUBJECT: Broward Metropolitan Planning Organization
TIP Amendment Request FY 2025/26– 2029/30 (Revised)
FM# 451576-3: TSMA Replacement Project Broward County**

Dear Mr. Stuart:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2025/26 – 2029/30 Transportation Improvement Program.

This amendment is required because a new project has been added to the work program and needs to be reflected in the TIP.

These projects are consistent with the goals of the Broward Metropolitan Planning Organization’s Long-Range Transportation Plan. The TIP amendment remains financially constrained. A State Transportation Improvement Program (STIP) amendment is required.

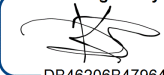

The TIP amendments are as follows:

PROPOSED	FM#	Project Name		Project Description
	451576-3	TSMA REPLACEMENT PROJECT BROWARD COUNTY		
	Project Length:		15.70 mi	
	Phase	Fund	FY 2026	
	ROW	ACSA	\$15,882	
	ROW	DDR	\$485,500	

	ROW	DIH	\$110,000	
		TOTAL	\$611,382	
	Justification for changes: This is a new project that just received allocation of funds for the RW phases at the start of this fiscal year. This is a maintenance project to replace structurally deficient traffic signal mast arms across Broward County. FDOT is the Lead Agency.
